

Dear Patient:

Has your pharmacy recently closed, or are you frustrated with long lines and lack of personal attention at your current pharmacy? At **Reading Hospital Pharmacies**, your health is our top priority!

With five pharmacy locations, access to your medical records, direct communication with your care team, and excellent customer service, switching to **Reading Hospital Pharmacies** is easy and convenient. We'll even help you transfer your prescriptions.

In addition, you can expect:

- **Automatic refills**
- **Reliable free home delivery***
- **Expert medication counseling**
- **Over-the-counter medications and supplements**
- **Vaccinations****
- **Specialty management program**
- **Drop-off locations for unused medication to ensure proper disposal*****

Most insurance plans are accepted.

Learn more about Reading Hospital Pharmacies and transfer your prescriptions today by visiting [TowerHealth.org/Pharmacy](https://www.towerhealth.org/Pharmacy) or calling **484-659-6329**.

We look forward to supporting your prescription needs,

Your Reading Hospital Pharmacy Team
